

## What went well?

No exceptional mentions.

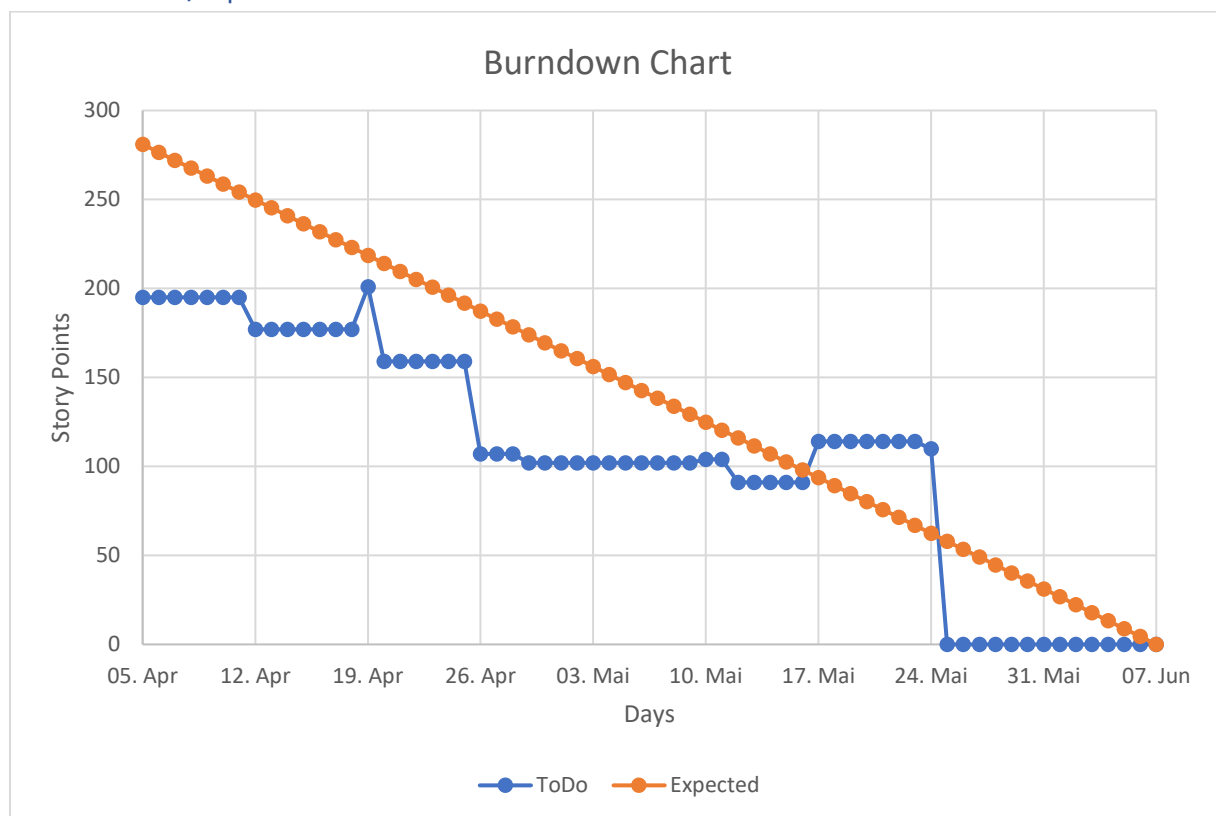

## What could be improved

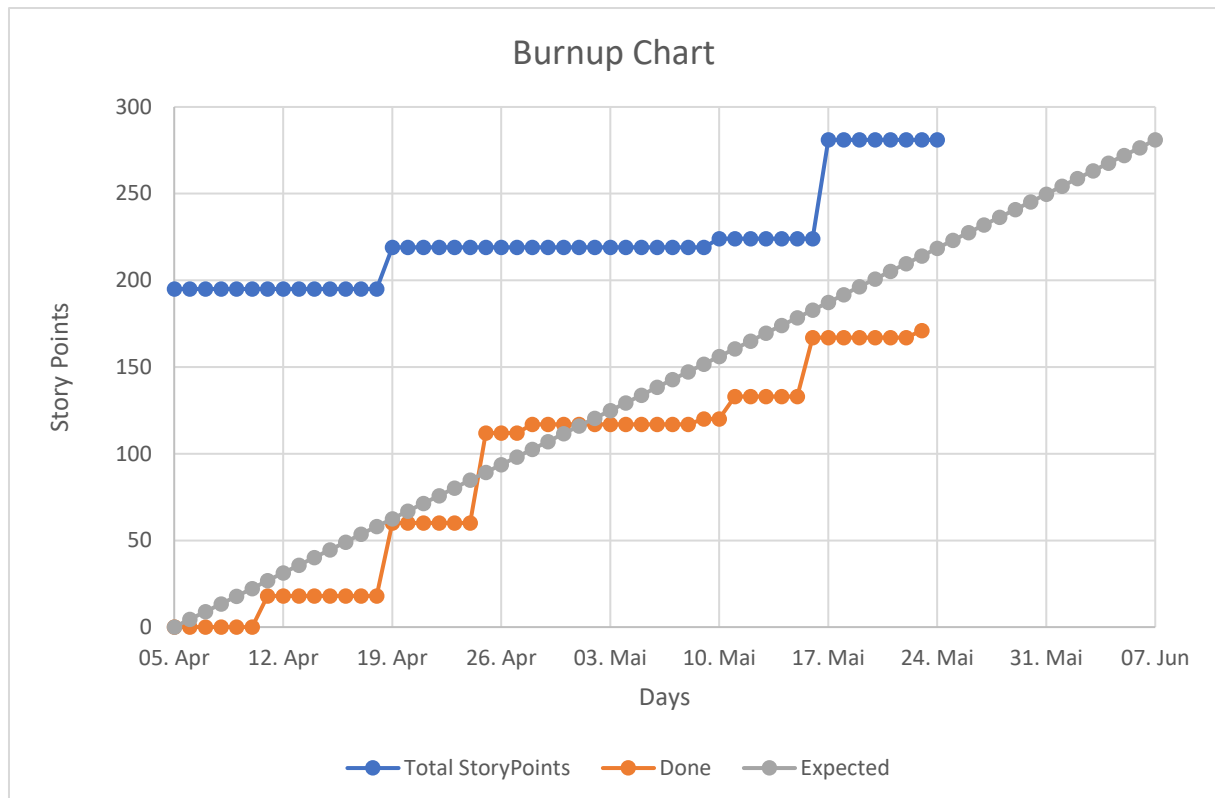

- Stagnant progress regarding new features
  - o Reasons:
    - Not regular predefined working times
    - Feature mostly working, but not enough to be tested for acceptance criteria

## What will be improved?

Finish the mostly finished items from “In Progress”, in order to be able to present/deliver new working features.

## Burndown/up chart

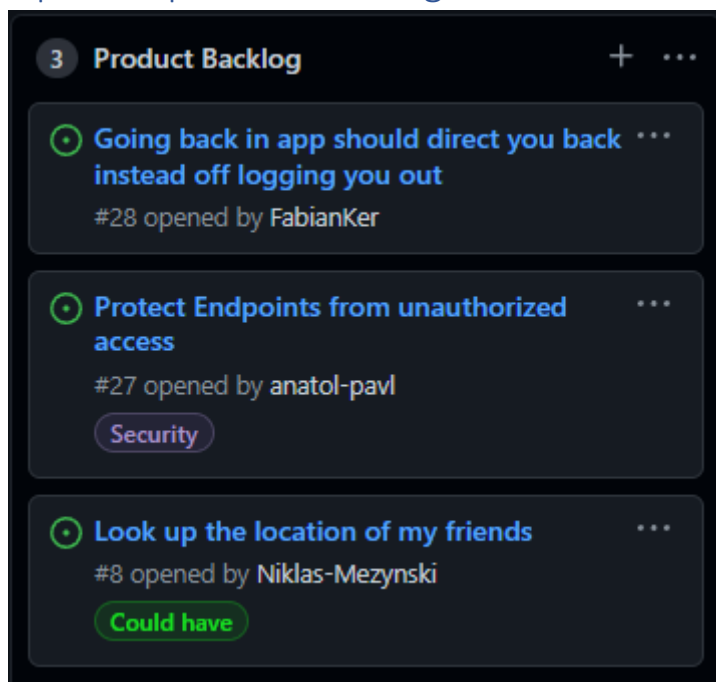

## Team Velocity

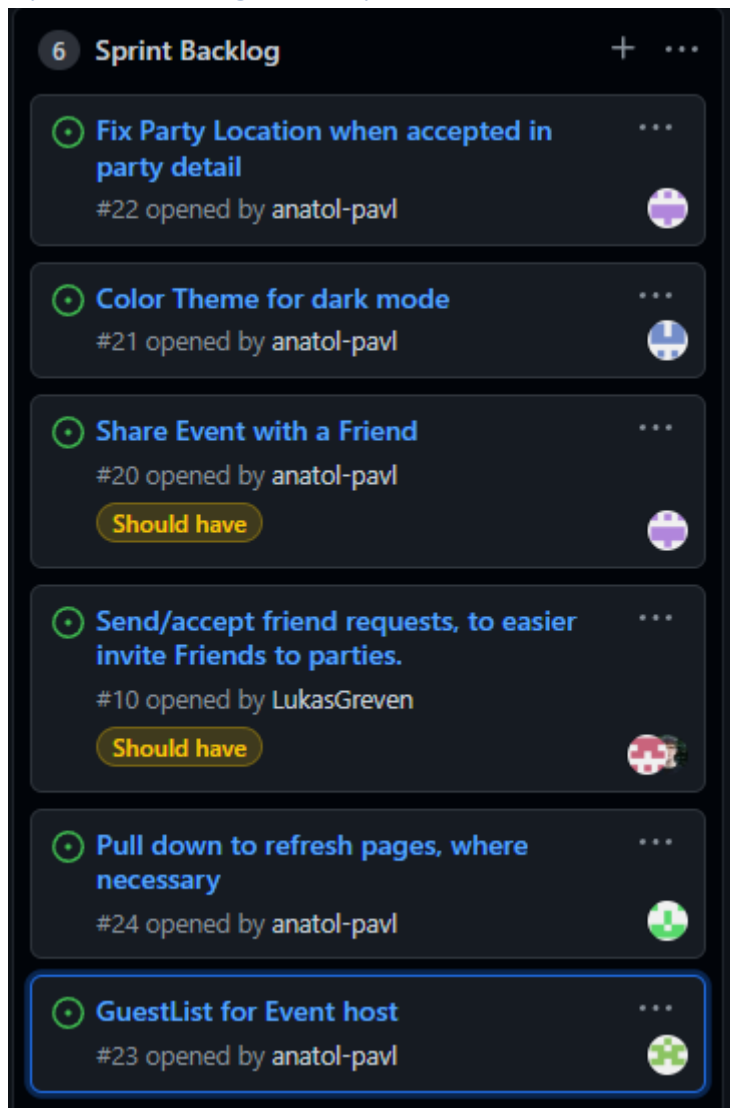

24,42 Storypoints per Week

3,489 Storypoints per Day

## Updated product backlog

## Sprint backlog next sprint

## Goal Next Sprint

Better Color theme for Dark/Light theme, and to further enhance the friend & sharing system. In general finish up work from last sprint.
